

Section 3 – External Auditor Report and Certificate 2020/21

In respect of

WINSHAM PARISH COUNCIL – SO0308

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2020/21

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2020/21 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

The AGAR was not accurately completed before submission for review.:

- The responses given in Section 1, Assertion 9 and Section 2, Box 11 are not consistent with the prior year responses. The smaller authority has confirmed that it does not act as sole managing trustee for trust funds and thus the answers given this year are incorrect and should be "N/A" and "No".
- Information received from the smaller authority indicates that an exercise was carried out on the fixed asset register during the year and a number of assets were discovered that had previously been omitted. These assets have been included in the current year Box 9 figure but the prior year has not been restated to include them. Please note that the Practitioners' Guide allows smaller authorities to use any reasonable valuation method, provided that the prior year figure is restated for consistency and comparability. We also note that the figure in the prior year comparative column does not agree to the prior year final signed AGAR due to transcription error. However as noted above the prior year figure should have been restated anyway.

Other matters not affecting our opinion which we draw to the attention of the authority:

None
