Parish Survey Results

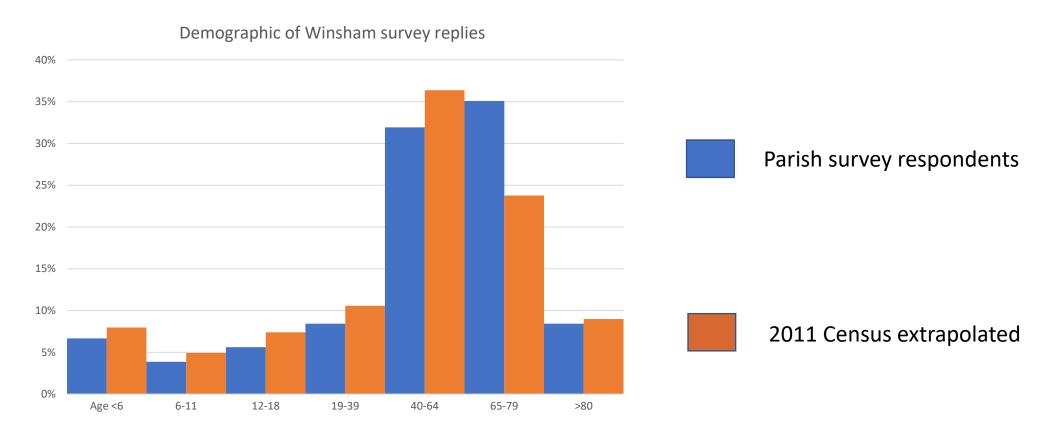

The Parish council asked every household in the Winsham parish to complete a survey that would help form the Parish council 5 year plan. These were received back in early 2019.

There were 285 responses representing over 40% of the residents.

There were over 1,100 written suggestions / comments

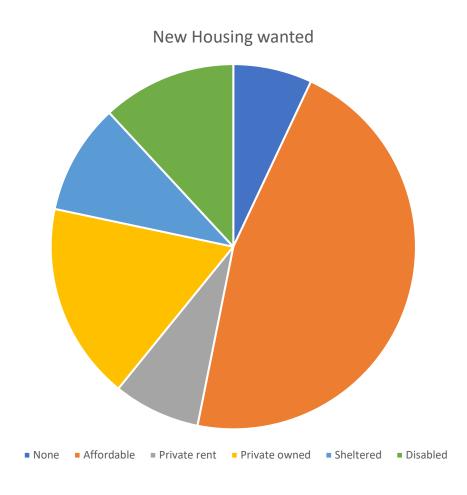

The following summary highlights the main responses but the parish council will consider them all.

Household responses and problems

- The survey demographic was broadly similar to the parish with a slight weighting to the 65-79 age group.
- Parking issues were the main concern but comments indicated that there were problems with services (mainly drainage).

Housing in Winsham

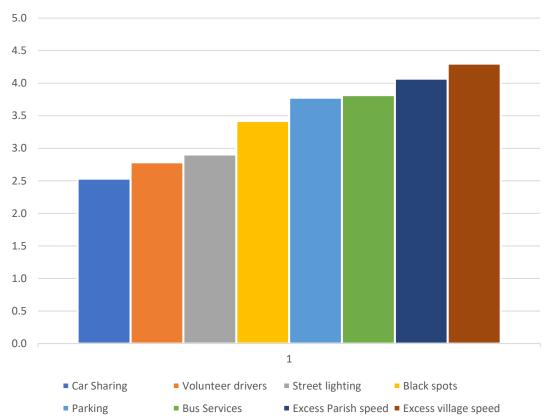

Affordable housing was the most popular choice with 80% suggesting between 5-20 new houses.

The controlled growth of housing in the parish should mirror an improvement in the infrastructure.

<u>Transport</u>

Buses were too infrequent and the service to Taunton was poor.

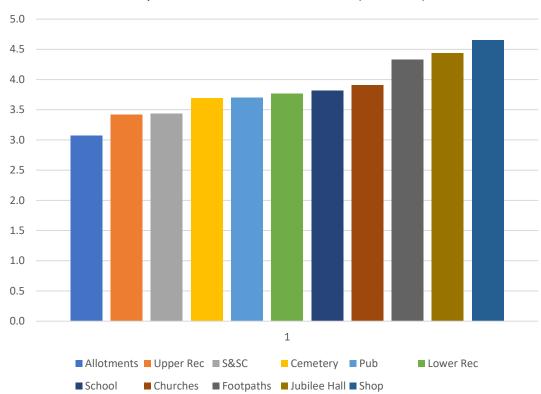

A clear indicator that speed bumps were undesirable and that traffic concerns were mainly around Church Street – the school and the 5 ways junction. A 20 m.p.h. was widely suggested.

Street lighting was adequate but could be more eco-friendly.

A new car park divided opinion. Some saw it as a great way to reduce parking problems, others believe those who create the problems will not use it due to additional inconvenience.

Resources

Usage of the Jubilee Hall and lower rec were high, the upper rec and the sports and social club were very low.

The school and pre-school were seen as very valuable resources and the shop was used by over 80% of respondents at least once a week.

The Church was regarded as very important to the village, the pub less so.

Additional parish resources of importance were better parking and litter bins.

Suggestions for improving parish resources.

• <u>Upper rec</u>

- Unlock the gate
- Cut the grass more often
- A tennis court

• Sports & Social Club

- Clarity on who can use it
- A change of management
- Refurbishment

Lower rec

- A new piece of equipment
- Fence off / ban dogs
- Remove the rocks

• <u>Cemetery</u>

- Water supply
- A shelter
- Mains gas

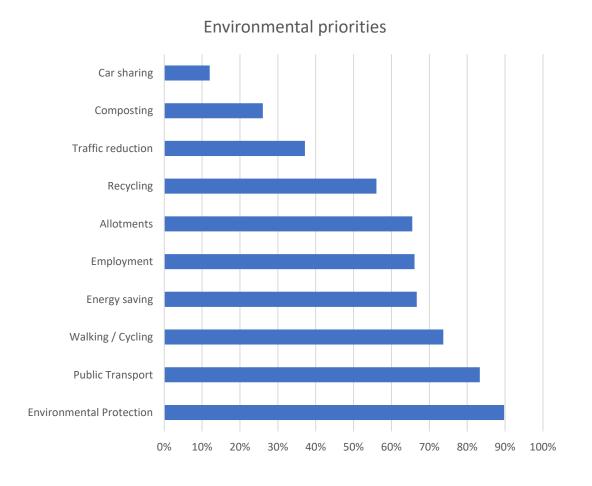

• Other parish resources

- Improvements to footpaths
- Improve car parking
- Litter bin use and location
- NO to public toilets
- Suggestions for the Jubilee hall, shop, pub and church will be shared privately with each organisation.

<u>Leisure</u>

- Those who feel there are enough leisure facilities outnumbered those who do not by 2 to 1.
- Many people support local clubs with the Horticultural Society topping the list.
- Suggestions for improved leisure facilities
 - Activities for children / young adults
 - Youth club / MUGA
 - Outdoor gym / tennis court / evening classes for those that work
 - Use the upper rec for more activities

Environment

Plastics recycling bins were the most popular suggestion.

Other suggestions for where the Parish council should focus included –

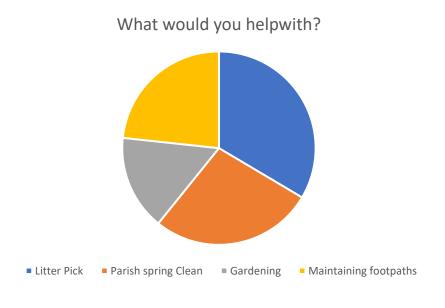

Roads and footpaths
Leisure facilities for teenagers
Tree planting / wildlife areas
The upper rec
Play equipment / muga / skatepark
Sign cleaning

Environment

- Suggestion for environmental responsibility
 - Education in schools
 - Encourage tree planting
 - Recycling point
 - Widen the footpath to Ammerham
- Suggestions to alleviate dog fouling
 - Education
 - Name and shame
 - Dog litter bin at the High Street end of the village.
 - Dog wardens

Communications

- Parishioners are interested in all activities available.
- The Parish magazine and John's e-letter are the most popular sources of information.

Although 93% of respondents have broadband only 69% consider it to be fast.

Whatley and Ammerham have particularly slow connections.
